## **Pet Flea Market Instructions – Sat Mar 9**

Booths are available to any individual, business, or group.

Buy/sell/trade – it's a great way to either add to, or reduce, your 'dog stuff' collection!

Booth price is \$10 for a 10' space (bring your own table) for individuals or businesses, free to breed clubs and adoption/rescue organizations.

The hall will be open for set up between 8 – 9 (to minimize disruption to the health fair).

Pet health businesses are also welcome to join us, and will be placed near the health fair registration.

NOTE: Access to both bathrooms will be limited due to the rooms being used for health screening, and will only be available between exams.
